

Tertiary Study Scholarship

Eastland Group recognises that our people are what make us so successful and innovative. Having the right people focusing on providing customer driven solutions will lead to the right solutions. We fully believe it is our communities that create those people and we like to support the communities in which we operate.

Scholarship opportunities are available for Eastland Region students studying towards engineering qualifications. Students will be in their 1st, 2nd or 3rd year of tertiary study or a school leaver commencing their 1st year.

Our aim is to select students that are studying subjects that complement Eastland Group's business and operations.

Applicants must be studying one of the following -

- Civil Engineering
- Mechanical Engineering
- Electrical engineering

This scholarship (worth \$5000 per year) will be offered annually to an Eastland Region tertiary student for a period of one year.
